

Term: Autumn 1 September 2024

Silver Birch Class

Dear Parents and Carers,

Welcome to the Autumn Term! We hope that you had an enjoyable summer and are looking forward to our new school year.

Our learning characteristics this half term are determination and resilience, being respectful and active citizens, participation and responsibility, as well as becoming a collaborative learner. We will be thinking about these characteristics in our learning and in wider school life.

This half term we are exploring the theme of conflict. In history, we will learn about inequality and whether it still exists. In science, we will be exploring different forces. In Maths, we are focussing on place value of numbers up to 10,000,000 – including comparing, ordering numbers and negative numbers. We are also continuing to improve the speed and accuracy of our times tables and have a focus on reasoning (how we think through solutions to problems).

Please continue to encourage your child to practice Times Tables Rock Stars at home. This programme is tailored to suit each individual and adapts to the answers they give. Please ask if you need a reminder of your child's log in details.

All children have access to our school and classroom library and should be reading their school book, or a home book each day. We know how important reading is to whole child development and appreciate your support with this.

Thank you for your continued support, as always, please contact us if you have any questions.

Many thanks,
Mrs Prior

Weekly Events

Daily – Water bottles, coats & reading book needed

Thursday – PE

Tuesday - Scouts

Important Announcements

Jewellery – please remember that earrings should be studs, not hoops and that necklaces shouldn't be worn.
Thank you.
