

Oak Class

Dear Parents and Carers,

What a start to a half-term we have had. The half-term started with an educational visit to the Red House in Aldeburgh where the children learnt all about the life and interests of Benjamin Britten, a famous composer who was born in Lowestoft. Massive thank you to Joe and his volunteers for organising and providing us with this opportunity.

Thinking about this inspirational artist who comes from Suffolk, and others like Constable (artist) and Ed Sheeran, will be used to help develop our aspirations. If these famous people were able to achieve greatest and international success – why can't we? What would you like to be famous for/remembered? Mr S will be remembered for his amazing singing voice and athletic prowess after winning gold at the Olympics.

This half term we will appreciate different Disney songs and how Disney used music to develop our emotions, designing and improving a vehicle and finishing off with looking the Christian faith.

Together we will achieve greatness!

Kind Regards

Mr Spillings, Mrs Sutton and Mrs Flaherty

Weekly Events

Monday – Reading books changed

Wednesday – Swimming

Friday – Scouts

Important Announcements

Learning Pi is now live and it is fantastic to see that people are engaging with it. Please keep engaging and completing the learning activities at home to help enhance the character education of all the children. Any problems or questions, please contact me.

We are very lucky to be swimming this half term as part of our PE provision. Please remember to send your child into school with a full swimming kit and towel. No PE kits are needed.
